

# Jac-cell Medic

**Introducing our new F.O.C.T. Fiber Optic Cable Tester**

**Now you can see what is happening on the inside of the fiber bundle.**

**Monitor the wear and tear of your fiber optic cables.**

**Test Kit contains:**

- 1- Testing lens with light shutter**
- 1- Cable adaptor(s), as per your requirements**
- 1- Black carrying case**

( Please specify type of Fiber Optic Cable you will be testing, and we will supply the appropriate adaptor to match your Cable Connector. )
